FIG. 6

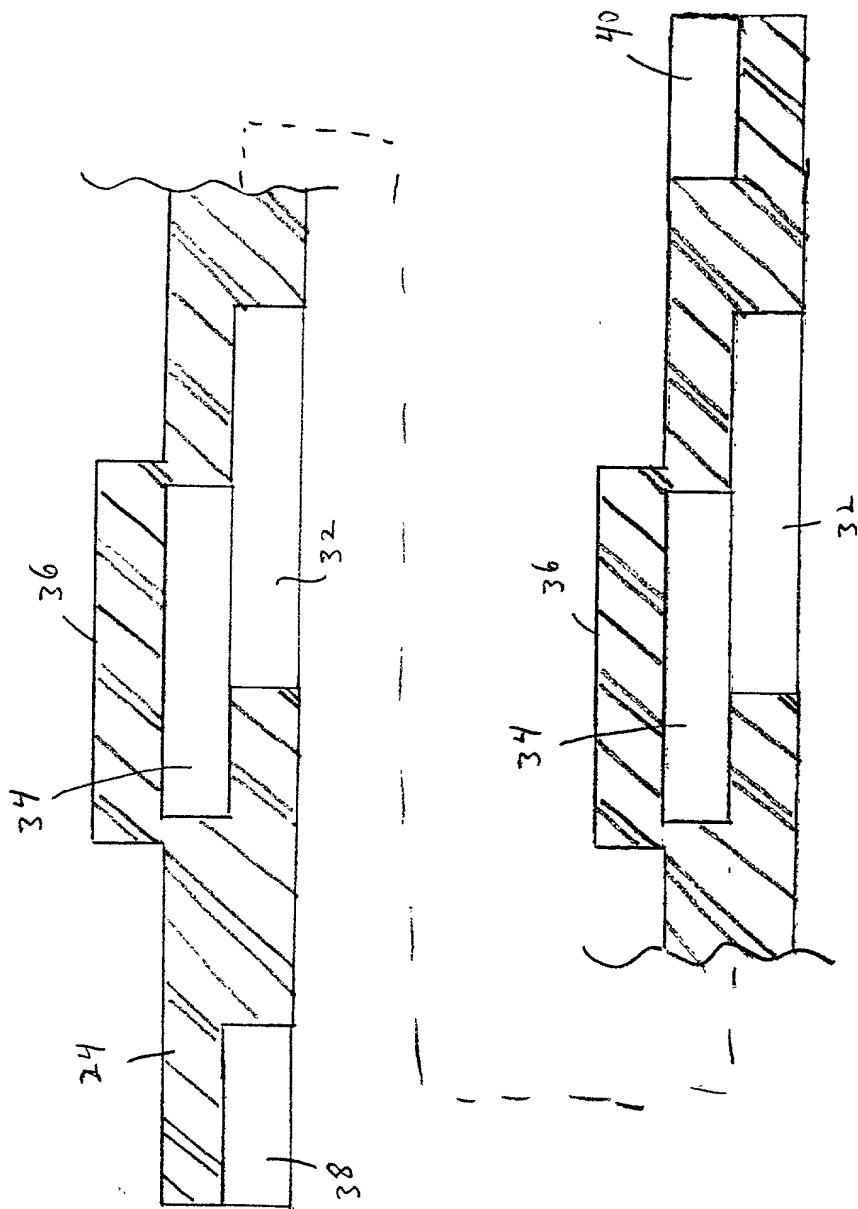

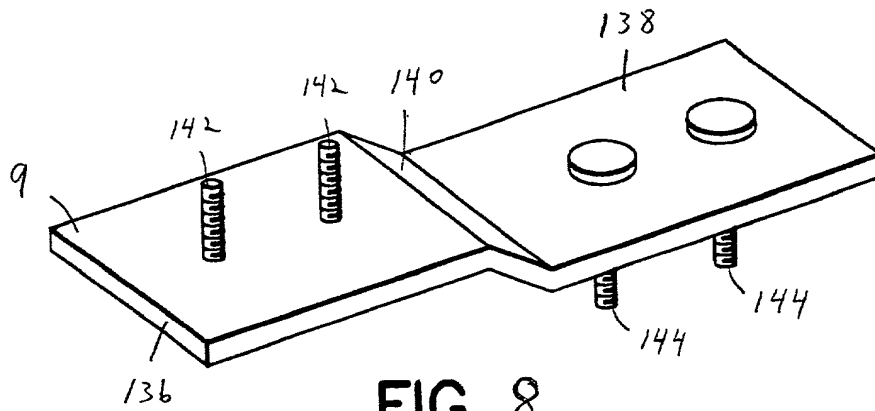

FIG. 7 is an exploded perspective view of the battery assembly. It shows the battery pack 14, which includes a top cover 16 and a bottom cover 18. The battery pack is shown in an exploded position relative to the main housing 20. The main housing 20 includes a front panel 22 and a rear panel 24. The front panel 22 features a display area 26 and a control area 28. The rear panel 24 includes a battery compartment 30 and a connector 32. The battery pack 14 is shown with the text "BATTY" on its top cover 16. The battery pack 14 is shown in an exploded position relative to the main housing 20, indicating its assembly into the device.
